

HOW DO I APPLY FOR A PAEDIATRIC NETWORK POSITION?

1. Where do I apply for a Paediatric Network Position?

These positions are accessed via the NSW Health JMO Jobs site at: <https://jmo2008.ezisuite.net>

2. What are the Paediatric Training Networks?

Western Paediatric Training Network (Children's Hospital at Westmead)
Northern Paediatric Training Network (John Hunter Children's Hospital)
Greater Eastern Paediatric Training Network (Sydney Children's Hospital)

For more information on the Paediatric Training Networks go to www.imet.nsw.gov.au

3. Which positions are the Paediatric Network Positions?

There are three types of Paediatric Training positions available in each of the Paediatric Training Networks. Each Network has the administrative responsibility for the advertising and recruitment process of one position. E.g.

1. Resident Medical Officer

Position Number: 150004610001_136

Service: The Children's Hospital at Westmead

Facility: The Children's Hospital at Westmead (this position is advertised by this AHS on behalf of the three paediatric networks)

2. Basic Paediatric Trainee - Registrar

Position Number: 047004610001_366

Service: South Eastern Sydney and Illawarra Area Health Service

Facility: Sydney Children's Hospital (this position is advertised by this AHS on behalf of the three paediatric networks)

3. Advanced Trainee (Registrar) - Paediatrics

Position Number: 010004610001_179

Service: Hunter New England Area Health Service

Facility: John Hunter Children's Hospital (this position is advertised by this AHS on behalf of the three paediatric networks)

4. Other Network positions – General Medicine Fellows and Liverpool Community Advanced Trainee

This year joint recruitment will be taking place for the General Medicine Fellows across the state and up to 3 Liverpool Community Advanced Trainees.

1. General Medicine Fellows

Position Number: 127004610001_362

Service: South Eastern Sydney and Illawarra Area Health Service

Facility: Sydney Children's Hospital (this position is advertised by this AHS on behalf of the three paediatric networks)

2. Liverpool Community Advanced Trainees

Position Number: 0170490010099_707

Service: South Eastern Sydney and Illawarra Area Health Service

Facility: Sydney Children's Hospital (this position is advertised by this AHS on behalf of Liverpool Hospital)

5. How do I find the above positions on the NSW Health JMO Jobs site?

A. CHW is managing the applications for the Resident Medical Officers for the whole network: This is listed with the position number **150004610001_136**

This can be located by selecting

- **Position Title:** "Senior Medical Resident Officer (SRMO)"
- **Specialty:** "Paediatrics"
- **Network:** "Paediatric Physician Training Networks – All Paediatric Networks"
- And leaving all other fields blank
- When the search is returned, the position is the only one listed under CHW and has the above position number (**150004610001_136**)

B. Sydney Children's Hospital is managing the applications for the Basic Trainee Registrars for the whole network: This is the position number **047004610001_366**

This can be located by selecting

- Position Title: "Basic Paediatrics Trainee"
- Specialty: "Paediatrics"
- **Network:** "Paediatric Physician Training Networks – All Paediatric Networks"
- And leaving all other fields blank
- When the search is returned, the position is listed near the top under South Eastern Sydney Illawarra and has the above position number (**047004610001_366**)

C. John Hunter Hospital is managing the applications for the Advanced Trainee Registrars for the whole network: This is the position number **010004610001_179**

This can be located by selecting

- **Position Title:** "Advance Trainee (registrar)"
- **Specialty:** "Paediatrics"
- **Network:** "Paediatric Physician Training Networks – All Paediatric Networks"
- And leaving all other fields blank
- When the search is returned, the position is listed at the top under Hunter New England and has the above position number (**010004610001_179**)

D. Sydney Children's Hospital is managing the applications for the General Medicine Fellows for the whole network: This is the position number (**127004610001_362**)

This can be located by selecting

- **Position Title:** "Provisional Fellow (trainee)"
- **Specialty:** "Paediatrics"
- **Network:** "Paediatric Physician Training Networks – All Paediatric Networks"
- And leaving all other fields blank
- When the search is returned, the position is listed at the top under South Eastern Sydney Illawarra and has the above position number (**127004610001_362**)

E. Sydney Children's Hospital is managing the applications for the Liverpool Community Advanced Trainees: This is the position number 0170490010099_707

This can be located by selecting

- **Position Title:** "Advance Trainee (registrar)"
- **Specialty:** "Paediatrics"
- **Service:** "South Eastern Sydney Illawarra"
- And leaving all other fields blank
- When the search is returned, the position is listed at the top under Sydney Children's Hospital and has the above position number (0170490010099_707)

IMPORTANT NOTE:

Applying to these positions, which are linked to these facilities, does NOT mean that you are only applying to work at that facility. You will be given the option to preference your hospital choice. Please note your preferences in order on your application letter.
