

My friends have very important advice! Listen carefully.

no one should be bullied!

Bullying is name calling, teasing, pushing, hitting, saying awful things, taking food or money, breaking stuff and making you do silly or dangerous things.

It can happen in the playground, the toilets, at the park, in the classroom, or on the way to and from school.

Bullying can make you feel sad, hurt and lonely.

who can you talk to?

teacher uncle sister
mum aunty brother
neighbour dad friend
